Sir:

In connection with the examination of the above-identified application, the applicants, through the subscribing attorney, hereby invite the Examiner's attention to the enclosed list of prior art.

While the attached list of prior art is believed to include the closest prior art of which the applicant is presently aware, the applicant does not represent that any search for prior art has necessarily been made nor that no better prior art exists. For the convenience of the Examiner, a copy of each piece of prior art listed is attached hereto. Since all of the listed prior art documents are in the English language, no explanation of their relevance to the claimed invention is believed

necessary. Remarks concerning certain of the listed prior art documents are to be found in the specification of this application.
